

# Group Bookings

## Counseling

For group counseling intake appointments, including spousal and family counseling, please be sure to include the names, ages, and relationship of each member participating in the session in the 'Add Your Message' section during registration. If you are an existing client, you *do not* need to include this information each time you schedule a new appointment.

## Retreats

A 10% discount is available for bookings of 2+ individuals. If you are checking out together, use the code 'RETURN' to apply the discount. If you will be attending a retreat as a group but will be booking your spots separately, please contact the host using the contact form on the website or via email. The host will manually deduct 10% from the final payment.

If one person will be registering for all group members, please provide the following information for each participant in the 'Add Your Message' section during check-out:

- Names
- Ages
- Email Addresses (Additional information will be emailed out prior to the retreat. Please have participants add [trailsofeden@gmail.com](mailto:trailsofeden@gmail.com) to their contacts to avoid updates ending up in their spam folder)
